Mehjoor Handicrafts Producer Company is a cooperative of skilled artisans dedicated to preserving and promoting the rich handicraft traditions of Jammu & Kashmir. Our company bridges the gap between age-old craftsmanship and modern markets, ensuring that each handmade product reflects the culture and heritage of our region.

"**Handicraft artisans** weave love into every thread, turning simple materials into cherished stories of tradition & beauty."

Our Vision

To create a global platform for artisans to showcase their work, while promoting sustainable livelihoods and preserving traditional artistry.

Our Mission

- Empower local artisans through fair trade practices.
- Promote eco-friendly and sustainable handicraft production.
- Deliver premium-quality, handcrafted products that celebrate heritage.

Our Products

- **Sozni Shawls & Stoles:** Luxurious wool and Pashmina with intricate Sozni embroidery.
- **Pherans:** Traditional Kashmiri attire blending warmth and elegance.
- **Khadi Suits:** Handwoven, eco-friendly suits for every style.

Why Choose Us ?

- **Authenticity:** Each product is a masterpiece created using traditional methods passed down through generations.
- **Sustainability:** We use eco-friendly materials and natural dyes to ensure minimal environmental impact.
- **Empowering Artisans:** Your purchase directly supports the livelihood of local artisans and their families.
- **Quality Assurance:** Every item undergoes rigorous quality checks to ensure excellence.

The Artisan's Story

"Behind every product is a story of passion and dedication."

"Meet Shafat Ahmad, a master of Sozni embroidery. With over 10 years of experience, he crafts intricate shawls that narrate the beauty of Kashmiri traditions. By partnering with us, Shafat Ahmad now earns a fair income to support his family and continue his craft."
